:: EXPERIENCE ::

Valley Pet Center | *Phoenix, AZ* | December 2009 - Present

- + I was the "go-to-guy" for graphic design in the office from December '09 to the end of July 2010. I was responsible for everything from ads, press releases, collateral, in store signage, posters, website updates to maintenance of the printing equipment.
- + After being their full time designer for a time, I pursued another full time position and became their freelance designer for occasional projects such as ads, mailers, and in-store signage.
- + Since Valley Pet Center is the parent company, my work reflects that of Animal Kingdom, Puppies n' Love, and The Ocean Floor just to name a few.

Visiont Media | *Gilbert, AZ* | June 2010 - January 2011

- + I was their primary graphic designer. Being with a design and consulting company, I have worked on quite a wide range of projects; vehicle wraps, business cards, brand identity, environmental graphics, photo manipulation, decals, stickers, and t-shirt designs.

inXsol | *Phoenix, AZ* | September 2008 - June 2009

- + I was their sole designer. I worked on interface design for e-learning systems along with any collateral designs.

Freelance Clients | *Multiple Locations* | July 2006 - March 2009

- + Through the multiple clients I have worked with, I have done a variety of work including collateral design, promotional design, web design, poster designs, and logo illustration.
- + Clients I have done work for include: 4-H Maricopa County Office, Matthew Jones Orthodontics, Premier Commercial Bank, Christ Greenfield Lutheran Church, and Zatu Records.

United States Army | *Human Resources Specialist* | December 2002 - December 2010

- + As a veteran, I have done quite a number of tasks with the Army. Overseas I aided in the inspection, record keeping, and setup of Containerized Housing Units for the 561st CSG in Iraq, kept records of and ensured truck loads of gravel went to their proper place on post, reported status of supply trucks in a selected lot to higher units, aided in collection and dispersal of supplies to other posts in theater, and aided in collecting and dispersing mail on base. In the US, I helped maintain soldier's files and run soldiers through unit level training.
